1) Public Forum

Ray Tresemer stated there is an underlying feeling that the concerned citizens group is anti-school and that is not correct. We want the best for our kids in the school district. Even though Mr. Tresemer no longer has children attending school in Centerville he hopes, people will remain in our district as taxpayers and that our taxes are being used appropriately. We need to get beyond what "they" think and progress onward. We will always have naysayers but the vast majority of individuals want a good educational system with transparency and good use of our tax monies.
