Old Business

Summer PD

Several opportunities were provided. Google Docs, LETRS, Teacher Leadership, Workplace CTE. Positive feedback was shared. Having further training with Plan book was mentioned but Rhonda shared that there isn't anything other than support via telephone. Rhonda stated it is in the beginning stages at this point. A future PD might be to have a staff member instruct other staff members in the use of Plan Book.

New Business

At a summer TQ day a teacher had not signed up for the work but participated in a full day and part of the second day. The discussion was whether to pay for two full days or one and a half days. Terri made a motion to pay the staff member for one and a half days and it was seconded by Roger. Motion passed

Plans for the next TQ day on April 13th were discussed. Rhonda would like thoughts on the day. Tony said that the best learning happens within and would like for us to utilize our own staff for PD if possible. In the past our staff had provided the PD and it worked. Terri mentioned a need for data sharing. The team discussed the cafeteria style for the day, breaking it into chunks, most staff find this most enticing. Rhonda will be sending out a document to the PLC leaders in regards to determining the needs and wants for the TQ day in April.
