Conferences

Parent teacher conferences will be held on Tuesday, October 23 and Thursday, October 25 for our PreK-1st students. Your attendance is encouraged because it will give you insight into your child's progress and how you can best help support the learning process at home. We want to be a team of parents, students, and educators working together.

Things to Remember

1. *Class starts at 8:00 and the end of the day is 3:00.* Arriving later or picking up early will be considered a tardy. Having your child at school by 7:50 will allow them time for their morning routines and socialization. *Breakfast is served 7:30-7:50.* It is important that your child be at school on time, prepared, and ready to learn!
2. Please try to establish consistency in your child's after school plans. If a change is required, please send a note or call by 1:00.
3. The weather is going to be changing, so remember to send warm coats, hats, and mittens on those cold days. Please label belongings with your child's name. When items are lost we can easily return them if names are written on the tags.
4. Your child will be bringing work home to provide additional practice and review of skills learned during the day. Your support and assistance is appreciated.

As a staff, we feel privileged to be working with your child in our school district. Please contact us if you ever have any questions or concerns.
