

# Winter Break Bingo!

Easy prep! Just print  
& send home!

## WINTER BREAK BINGO

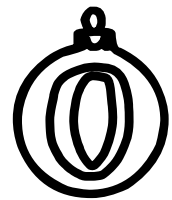

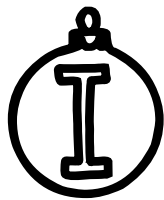

Perfect for  
Pre-K  
through  
Kinder!

|   |   |   |   |  |
|---|---|---|---|--|
| Write a story.  | Count by 1s to 50! If you reach 50, count as high as you can! | Read a book. Tell your parents if the story was fiction or non-fiction. How did you know?               | Clean your room & complete one other chore as decided by your parents.                          | Pour sugar onto a plate. Practice writing your letters in the sugar!                   |
| <b>Rhyme Time!</b><br>Give at least 3 rhyming words for each of the following words:<br>cat, bug, mate, pen, lip. | <b>Practice subtraction!</b><br>5-1=<br>5-2=<br>5-3=<br>5-4=  | Clean out your backpack.  | Go on a letter hunt in your house! How many letters can you find written on items in your home? | Read a book. Tell your parents what the beginning, middle, and end of the story was!   |
| Read a book. Tell your parents what the setting was and who the characters of the book were!                      | Make something using items from your recycling box!           | Write all capital and all lowercase letters two times.  | Count by 10s to 100! Can you count higher than 100 counting by tens?                            | Read a book. What was the problem and what was the solution?                           |
| Make a card for a family member.  | Practice writing your sight words.                            | Find objects in your house that match these shapes: rectangle, square, circle, oval, diamond, triangle. | Practice addition!<br>1+1=<br>1+2=<br>1+3=<br>1+4=  | Go on a number hunt in your house! How many numbers can you find written in your home? |
| Count backwards from 10! Can you make it all the way to zero?   | Read a book. Stop halfway through and make a prediction!      | Write a story.  | Draw a picture of your favorite thing that you have done so far during Winter Break.            | Practice clapping out syllables of words.  |

Have your students practice their skills over break in a fun way!

# WINTER BREAK BINGO

During the long winter break, it is important that we are still exercising our brains, and what better way to do that than with a fun Winter Break Bingo! Try to complete 1-2 activities per day. After completing each activity, make sure to put a X over that activity's box!
