Dear Families,

The 2018-2019 school year is coming to an end, so I want to thank you for supporting your child's educational journey. It takes everyone working together to meet their social, emotional, and academic needs as they progress through the year.

I also want to share, I will be retiring at the end of the school year. The decision was not easy because of the amazing staff, students, parents, and community members of the Centerville School District. I am proud to have served as Principal at Central and the Centerville Community Preschool for the last eight years. It has been a wonderful experience with many happy memories. Thank you for everything!

Have a safe and relaxing summer!
Dianne Fatka
