The League of United Latin American Citizens (LULAC), has considered education its number one priority since it was established in 1929. Therefore, as part of LULAC's education efforts, LULAC Council 377 will be awarding six scholarships to students (traditional and non-traditional) in southeast Iowa. The scholarships are to aid students with the cost of higher-education which is constantly on the rise, making financing a college degree extremely difficult for many families.

Based on the importance of providing aid, League of United Latin American Citizens (LULAC) Council 377 will provide qualified, high-need students (traditional and non-traditional) with scholarship dollars.

The submission deadline is April 30, 2020.
