Centerville PowerSchool E-Registration Parent Guide

Parents,

In order to provide an effective and safe approach to student registration, Centerville is requiring an online enrollment process.

Once you have a PowerSchool Parent Access Account, log in to: https://centerville.powerschool.com/public/home.html

In the Login box enter your **User Name** and **Password**, click **Sign In**. If you do not have a parent access account, you will need to create an account.

The PowerSchool Parent Portal screen will display. Each of the students attached to your account will display in the bar below the PowerSchool Logo (upper left portion of the screen). Choose the first student by clicking on the student's name.

In the left menu, scroll down and click Forms.

The E-Registration process begins with the Enrollment tab.
