Emergency Discussion on School Calendar due to COVID19 Related Updates

Tom Rubel reported that he called for the emergency work session due to a flurry of activity regarding COVID19. Appanoose County Public Health had informed the district of two positive cases as well as several other students that would be absent due to quarantining. In an effort to respond and to try and stay ahead of any further activity, the district is making the decision to move to the hybrid plan for both Howar Middle School and Centerville High School. The decision is being made in an effort to provide more social distancing and more time for cleaning. Lakeview Elementary and the Preschool will move forward with their normal schedules. Extra-curricular activities will move forward at the normal schedule as well.
