## Centerville Community School District

FREE MEALS to enrolled students through December 31, 2020\*

September 14, 2020

---

### **EXCITING NEWS!!**

Last week, U.S. Secretary of Agriculture Sonny Perdue announced the U.S. Department of Agriculture (USDA) will extend several flexibilities through as late as December 31, 2020. The flexibilities allow summer meal program operators to continue serving free meals to all children into the fall/winter months. Starting September 14, 2020 all currently enrolled Centerville Community School District students will be able to eat breakfast and lunch at no cost to them. \*This will apply to all of our students through December 2020 or until funds run out.

We encourage all families to take advantage and participate in breakfast and lunch this fall. Meals will be provided at no cost to the family. This gives every family the chance to feel a sense of financial relief while also having the security of their student(s) being fed. All extra purchases like; Snack Milk, A La Carte, & Extras will still be available to students, but must be purchased through the family's meal account.

\*Current lunch status benefits will not apply to any extras and students must have a positive balance to purchase them.
