Julie Caraccio – Preschool/Lakeview Associate Principal
Rich Parker – Activities Director

February 10, 2021

Dear Howar Middle School Families,

We are notifying our parents and guardians of Howar Middle School students that we have had reported positive COVID-19 cases within our school. We are in conversation and collaboration with the Appanoose County Public Health Department and are utilizing all recommendations to ensure confidentiality of the individuals and the health and safety of all of our teachers, staff, students and families.

We have made the decision that we need to transition educational services for the 7th grade to a different delivery model. Therefore, we are notifying you that we will be transitioning from on-site educational services to **remote learning** for 7th grade only beginning Thursday, 2/11/21 through Wednesday, 2/24/21. We plan for 7th grade students to return to the current on-site learning model on February 25, 2021.

Students in the 8th grade and 6th grade will continue to attend school in the current on-site learning model.

We encourage all families to practice preventative measures. As we need to stop the spread of COVID-19 at HMS, we ask for your help in keeping your children in your family unit right now. Because of this situation, please watch for symptoms and consult with your physician as necessary.

Please contact HMS Principal, Karen Swanson for questions or concerns, karen.swanson@centervillek12.org or 641-856-0760.

Sincerely,

Tom Rubel, Superintendent

Karen Swanson, Principal

Meghan Decena, School Nurse
