Matt Johnson – High School Principal
Karen Swanson – Howar Middle School Principal
Terri Schofield – Lakeview Elementary Principal
Julie Caraccio – PK-1 Associate Principal

May 20, 2021

To Parents and Community Members,

Yesterday, the Governor of Iowa signed into law legislation that prohibits K-12 schools from mandating masks.

This law is effective immediately.

Therefore, the Centerville Community School District will not require students as well as employees to wear masks.

Those students and employees who want to continue to wear masks will certainly have the right to do so.

I appreciate your support as we continue to address COVID-19 challenges.

Tom Rubel
Superintendent
