Thank you to
everyone that
helped make
this year
fantastic!

The 2020-21 school year is coming to an end, I want to thank you for supporting your child's educational journey. It takes everyone working together to meet their social-emotional and academic needs as they progress through the year.

Just a reminder, preregistration for preschool and kindergarten is still available on our school website. We will be offering a 3 year-old preschool program next year, and preregistration is available for this program as well. centervilleschools.org Be watching your mailbox for registration papers in July!

You may also find current school information by liking our Facebook pages: **Centerville Community Schools, Lakeview Elementary, and Centerville Preschool.**
