To: Parents & Community Members,

The purpose of this communication is to inform you that this year's school calendar has been adjusted.

Due to the fact that the Centerville Schools will have exceeded the number of attendance hours required by the Department of Education the decision has been made to make the last day of school for our students Friday, May 28th, with a 2-hour early dismissal. The last day of school for students was previously scheduled for Tuesday, June 1st.

The 2020-21 school year has had many challenges and our students and staff have experienced many successes in spite of the challenges. These successes are due in part to the great partnership between our families and staff.

Thank you for all you have done to support the district throughout the year. I wish you a relaxing summer!

Sincerely,

Tom Rubel
Superintendent
