## Summer School Booster Courses

Summer presents an opportunity to not only address learning loss and get students back to grade level, but to earn credit as well. **CCSD** wants to support students throughout the summer with **Summer School Booster Courses**. **Booster Courses** are short **English Language Arts** and **Math Courses** designed to prepare students for success as they enter grades 6-12, making them ideal for summer learning. Students will have access to highly qualified, certified **Virtual Teachers**, live **Concept Coaches** (tutors), and **District Level Mentors** to ensure students have the support they need to successfully complete the coursework.

### THESE DYNAMIC COURSES PROVIDE:

- An upfront diagnostic that informs an individualized learning path tailored to each student.
- Focus on the core competencies most critical for grade-level success.
- The opportunity to participate in live reteaching/remediation/extension lessons

### CCSD PROVIDES:

- Mentoring-touch with students regularly to support completion of work
- A space if needed
- Completion of coursework in a flexible setting:
  - Instruction at School
  - Instruction at School + Home
