

Silver Cord Program

The Silver Cord Program is a voluntary graduation incentive program to promote volunteerism in students in Appanoose County. Centerville, Moravia and Moulton students who volunteer a minimum of 80 hours in their community throughout their high school career will graduate with a silver cord, a special mention in the Commencement program and be eligible to compete for additional monetary scholarships provided by PACT (Promoting Appanoose & Centerville Together).

The goal of the Silver Cord program is to create opportunities for students to contribute to their community while building citizenship skills, fostering caring relationships with those around them and growing their own self-confidence. Additionally, the program is designed to help students enhance their education and career prospects after graduating.

Students can begin earning hours during the summer leading into their freshman year of high school and must complete and submit their hours by May 1st of their senior year.

Getting Started:

1. Students must submit a completed consent ([Parent/Student Form](#)) to PACT in person (128 N 12th Street, Centerville) or by email (youngprofessionals@pactiowa.org) before they can begin earning & recording hours.
2. Once a student is enrolled in the program, they can begin submitting their hours using the Google Form ([Volunteer Submission Form](#)) This program is based on the honor system, so no verification documentation needs to be submitted after each volunteer activity is completed. However, we do require that students include a contact name and phone number for the organization they volunteer with. This will only be used if the validity of the submitted hours comes into question.
3. Students can reference the [Volunteer Opportunities](#) document to find pre-approved organizations and events to volunteer for or they can find outside opportunities. Students can reach out if they have questions about whether or not a volunteer opportunity meets the requirements for the Silver Cord Program by emailing youngprofessionals@pactiowa.org
4. Students will receive an updated log of the hours they've completed for the Silver Cord Program on a quarterly basis via email.
