THIS AGREEMENT MADE AND ENTERED INTO by and between the Board of Education of the Centerville Community School District (hereinafter referred to as the "Board") and the Centerville Education Association (hereinafter referred to as the "Association").

WHEREAS, the Board and the Association recognize and declare that providing a quality education for the students of Centerville Community School District is their mutual desire.

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement, **IT IS AGREED AS FOLLOWS**,

I. RECOGNITION

The Board recognizes the Association as the certified, exclusive and sole bargaining representative for all personnel as set forth in the Public Employment Relations Board certification instrument (Case No. 380: issued by the Public Employment Board on the 24th day of September 1975).

The unit described in the above certification is as follows:

Included:

All regular full-time and part-time certified personnel of the Centerville Community School District, preschool through grade twelve, consisting of classroom teachers, physical education teachers, art teachers, music teachers, counselors, school nurses, Chapter I teachers, and librarians.

Excluded:

Substitute teachers, student teachers, administrators, athletic directors, and non-certified employees, and all other persons excluded by Section 4 of the Public Employment Relations Act.

The term "employee" as used in this Agreement, shall mean all personnel in the bargaining unit as defined and certified by the Public Employment Relations Board.

II. GRIEVANCE PROCEDURE

A. Definitions

1. **Grievance:** A grievance is a claim by an employee(s) or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.
2. **Grievant:** Any member of the bargaining unit and/or the Association.
3. **Party in Interest:** A "party in interest" is the grievant and any person, including the Association or the Board, who might be required to take action, or against whom action might be taken in order to resolve the contract problem.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Nothing contained herein will be construed as limiting the right of any employee, or the Association to informally discuss any problem affecting the employee or the Association with any appropriate member of the Administration or the Board, and to have the problem adjusted, provided that the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure

1. Time Limits: The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. Year-End Grievance: In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty days thereafter.
3. Level One - Principal or Immediate Supervisor (informal): The grievant shall first discuss it with the principal or immediate supervisor within ten school days from the time of the occurrence of the event questioned or from the time when such event might reasonably have been ascertained to have occurred, with the objective of resolving the matter informally. If the employee requests, the Association's designated representative shall be present.
4. Level Two - Principal (formal): If a grievance still exists after the informal discussion with the principal or immediate supervisor at Level One, the grievant may invoke the formal grievance procedure either individually or through the Association on the form set forth in Schedule A. The grievance form shall be available in the office of each principal in each building and said form shall be signed by the grievant. A copy of the grievance form shall be delivered to the appropriate principal or immediate supervisor and to the Association representative in such building within ten (10) school days from the time of the Level One meeting.

If the grievance involves more than one school building, a copy shall be delivered to the Superintendent or designee, and the Superintendent may direct that processing of such grievance commence at Level Three and proceed as hereinafter set forth.

The appropriate principal or immediate supervisor shall indicate the disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy to the Association.

If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within the five (5) school day period, the grievance shall be transmitted to Level Three.

5. Level Three - Superintendent: The Superintendent or designee shall meet with the grievant and the Association within five (5) school days of receipt of the grievance by the Superintendent. Within ten (10) school days of receipt of the grievance, the Superintendent or designee shall indicate the disposition of the grievance in writing and shall furnish a copy to the Association.

If the grievant is not satisfied with the disposition of the grievance by the Superintendent or designee, or if no disposition has been made within the ten (10) school day period, the grievance shall be transmitted to Level Four.

6. Level Four - Arbitrator: If, within ten (10) school days following Level Three, the grievant submits a request to the Superintendent to enter into arbitration, the Superintendent and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within ten (10) school days, a written request for a list of arbitrators shall be made to the Public Employment Relations Board by either party. The list shall consist of five (5) arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The parties shall then alternate removing names until one remains. The person whose name remains shall be the arbitrator.

The arbitrator shall confer with the Superintendent and the grievant, hold hearings promptly, and issue a decision not later than fifteen (15) school days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date that the final statements and proofs on the issues are submitted. The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall have no power to alter, add to, or detract from the specific provisions of the Agreement. No decision of the arbitrator shall in any way be in derogation of the powers, duties and rights of the Board by constitutional provisions, statute, ordinance, or special legislative acts. The decision of the arbitrator shall be submitted to the Superintendent and the grievant and shall be final and binding on the parties.

The cost for the services of the arbitrator, including per diem expenses, if any, and the actual necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

D. Rights of Employees to Representation

1. Employee and Association: Any grievant may be represented at all stages of the grievance procedure by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present at all levels.
2. Released Time: All meetings will be held outside the teacher day when possible. When it is necessary for a grievant or an Association representative to be present at a meeting at Level Three and Level Four of the grievance procedure during regular school hours, the grievant and representative shall be released without loss of compensation.

E. Miscellaneous

Letter of Agreement

Whereas Iowa law now mandates a "single salary schedule", the Centerville Education Association and the Centerville Community School District hereby agree upon the following as a workable method of complying with the new law.

1. To distinguish between state categorical funds and local general funds, the local general funds portion of the single salary schedule shall be determined as in the past and applied to a "4 x 4" indexed salary schedule such as in Exhibit A.
 - a. As in the past, the per cent of any negotiated salary schedule increases will be determined using the regular programs portion of the general fund for those funded positions.
 - b. Special Education, At-Risk, Title I, and other categorically funded positions salary will be determined by the salary schedule but are not a portion of the calculated amount or per cent of increases.
2. The parties to this agreement shall negotiate a salary schedule index for distributing categorical funds, expressly the Teacher Salary Supplement funds.
 - a. That schedule index is contained in Exhibit B.
 - b. Exhibit B will reflect the cost of all teachers paid by Teacher Salary Supplement funds.
3. The salaries on Exhibit A and Exhibit B will be combined to form the new salary schedule in this agreement, Schedule C. Schedule C will not, at this time, reflect an index, only dollar amounts for each step and lane.
4. The salary amounts for Exhibit A and the structure of Exhibit B will be determined separately.
5. The generator base for the salary in Exhibit A will be used to determine the generator base for Schedule D, Supplemental Salary Schedule and for determining the per diem rate for extended contract work. It is expressly understood that Teacher Salary Supplement funds will not be used to increase the amounts for Schedule D or for the per diem extended contract work.
6. Should the funds be reduced so that the district does not receive the full amount to fund Exhibit B, the Teacher Salary Supplement schedule will be reduced to match the reduction in funds. It is expressly not the intent of the parties that teacher salary supplement payments be subsidized by local regular program or categorical funds.

This letter of agreement may be modified by mutual consent.

Due to the new statutory minimums requirements and the funding received, the parties agreed to a \$2250 total salary increase from step and lane movement and TSS allocation for each certified employee (based on FTE), except for cases in which a different salary increase is needed to match statutory minimums. This is a one year payment increase that does not carry forward beyond 2025-2026.

The 2025-2026 salary increase from the \$125 base increase and step and lane movement carries forward beyond the 2025-2026 contract year unless the parties agree otherwise through wage negotiations referenced in Article XV, Section C; the remainder of the \$2250 total salary increase for 2025-2026 is a one-year payment increase that does not carry forward beyond the 2025-2026 contract year unless parties otherwise agree through wage negotiations referenced in Article XV, Section C.

Combined Schedule amounts will not reflect total final contract amounts for staff. Contract amounts are based on the \$2250 (based on FTE) increase from the previous 2024-25 base and TSS salaries received.
